Lost the freshman car-they decided to take the toll road!

Glenwood stinks for cops

Roto's off to jail-trying to find it now-Scott got directions from two reliable sources (a couple of little girls)

Roto is so subversive looking anyhow

Scott says "if I don't come back, come and get me." The jail looks like an old grade school.

Now er're going back to the Skelly station. Somebody forgot something-Scott left the map-He blamed it on me.

ROTO'S BACK!!!! \$15 BAIL?????

Now Jon's gone. He went back to get what we left at the station.

Lehmborg-70 mph in 2nd gear

WISH I HAD A CAN OF POP!!!!!!

6:30-Scott has come to conclusion that his mind is moving "pretty"  
slow. MORE words of wisdom from our leader--"Today's Tomorrow."  
Minnie Pearl is giving away free records on the radio.

6:40-Kissed Iowa goodbye-(it wasn't a french)

Nothing like driving and not knowing where you are.

"Lehmborg you're a natural born leader"-No-I'm the Natural One!"

Inflation has batted the bar.

7:30- a 5¢ Hershey bar in NOW 10¢--after 72 years-America is going  
down the drain.

Around Hubbard's Cave JFK -- Don't go there  
Inbound FROZEN FIRE HOSE

9:10-gas stop--making better time now.

WLS--When you ride on the Illinois tollway you ride on easy street  
Glen Campbell sux

Illinois is scenic too

None of the gas station attendants like us

Scott grumbles for a piece of gum

Scott swears at truck:

"That damn fool won't pull over."

"Really the horse's ass!"

"There's gotta be two old ladies behind it too .!"

"God, I hate to challenge a truck."

"For Christ's sake!"

Scott grumbles.

4

"Is that the only station you can find?"  
"A truck just passed all of us."

But no fear--Scott's got his driving gloves on.

9:31--(Seems like two o'clock) Scott just about crashed into a trailer  
(I mean two trailers)

I HATE WLS

11:30--Astronauts off  
Vermillion company--Indiana  
I missed Champaigne  
False alarm--we haven't gone through Danville.  
Still ten-thirty

THE ONLY TRUTH WE KNOW COMES SO EASY (TOO EASY)

10:45--(11:45)--EST, Indiana  
Barb asked, "What are we gonna do when we get to Washington?"  
"We're going to sleep."  
From Indianapolis--EST, midnight

12:50(EST)--coffee-but

2:57--Sater and Dillon got screwed (\$.75 for a crumbly sandwich)  
Sater, again came through for us--our car is now equipped with  
one of his "original" DC-Peace Signs for our back window.  
Get the fresh gum chewed--we've got to stick it on quick.

Sater wants us to know his 3:12 sneeze

3:14 Scott too came through again--nearly smashed the car ahead  
Sater screams in hysterics

3:17 We think someone's missing  
Let's check the ahead 9 (car)  
--He's taking off his clothes  
Shouts are heard--MORE, MORE!!  
Sater realizes now that the radio station has only played  
5 favorite tunes....the whole trip!!

3:21--Rowdies start... Stop...

5

Box formation 70 mph  
One minute later--from behind--a spoiler

3:40- A GUY IN A UNIFORM JUST WHIPPED US THE PEACE SIGN  
Black Glove  
Hey, there"s even a little traffic

3:48-entered Ohio  
Carol mistakes a barn for a big, old, 3 story house with an  
attic

time is passing fast--miles too --we hope?

3:56- Cop scare--Have seen two very suspicious cars with a  
drinking glass-shaped red light in the center of top  
One is trailing us--Now we are trailing him!  
Scare's over

4:04- Becoming restless after so much excitement!  
Sater's too quiet--must be up to something ..I Knew It...  
Sater spirts out "Erickson's a Bully!" when Scott requested a  
change of radio stations--"Change it for Christ's Sake!"  
AND more profound wisdom from him:  
Beggars can't be choosers  
Erickson--But we aren't beggars

Signs ahead--"SAFE DRINKING WATER 500 ft. AHEAD"  
LEAVES US WITH A GREAT FEELING

4:30-Just passed an old brick school house  
Brings back memories of our start. Scott says, "There's a Hell  
of a lot of people in Ohio."  
Sater agrees.  
Scott says, "I feel like we're interfering with the normal flow  
of traffic."

4:42-Sater just threw a kiss to one of our male comrades.  
Jon NOW AT 45 degree angle in two lanes of traffic at Big 4  
Stop-cars and big trucks all over  
Lehberg as his navigator merely says as we flag them over,  
What do you want?"

4:47- Pit stop. two dimes for one can of pop.  
Lehberg climbs in a different car. Lord help them-for he's in the navigator's  
position!!!  
also our Gulf station has road maps--75¢ a piece--Quite reasonable???

4:55-off...Ericksen wants a sandwich with cheese  
"I have to get bound up"  
Lehmie, we miss you here....  
Scott thinks he's the first to get disentaryj

5:06 Scott says: Girls are just as ugly all over.  
We are in the center of downtown Columbus. Radio says: 3% of  
people die who use seat belts--68% of people die who don't use  
them. Scott says, "Every one dies!"  
(they can't fool our fearless leader)

5:20- we've lost Roto again. Didn't I warn you? Hmmm?  
Guess who's Navigator--You've guessed it!!!  
Gleam baby is back on the radio with his Kindness speel

5:29- It's growing dark fast now. Everyone is quiet-now that's  
not good. We've got to find our lost car!!!  
WLS, SHUT UP!!

5:41 PRAY FOR OUR LOST CAR. it's too damn quiet in here. Oh  
puppies--help us-- the snow is back  
Beach Boys surfin songs just don't make it

5:50 Pull to roadside rest. Everything is so strained. I guess  
we're going to wait for them for awhile.  
Sater just met a car load of soul brothers going to Washington

6:00- we're leaving now--it's still snowing

6:10- we're climbing--in the Mts. There's a million trucks  
here--are having to stop to put on chains --all day we have such  
gorgeous scenery--and now Penn. Mts. and it's DARK  
thought we spotted themBUT NO  
Scott says, "Whose idea was it go go to Washington anyway--HELL!"

6:26-No one would claim the developed thought  
The road's extremely slushy and slippery at times but the traffic  
is moving--at least slowly.

6:40- off that----(call it what you will) stretch of road.  
now we shall try to find our lost limb. Well Sater is off to  
Zanesville.  
Scott says: "This.... I'm..... This is just unbelievable!"  
"Undoubtely this is the horses' ass."  
Mike Fritz- This is a battle between the optimists and the pes-  
simists.  
Carol-"This is what makes trips fun?"  
-We need Fritz to Livin up this Journal.  
here's Sater--Now Joe's lost, but is expected to return

7:00- Have entered where ever we are--Taking it easy--

7:24-Calling Highway Patrol in hopes they have called in earlier.  
2 minutes later--they've called in and are heading EAST!!  
Now we can smile.....a teeny smile.

7:44- Sater says he sounds like a flunky.  
met two groups of kids from Kansas City and Illinois

7:59- Sue spoke to two guys-Army boys-both of them heading of f  
to D.C. too. LATER: Sue says-Get up and walk around. Give your  
bones a rest. Your muscles are going to get atrophy.  
We've got to get our group going

8:05- We're ready to roll. No-but we're waiting for Scott again--  
No-nothing like Glenwood-we're on the right side this time  
Sue contributed a calling card to our journal-Now we know where  
we are!!

Carol-"This whole trip has been funny!"  
Sater-"Carol, where does it hurt, tell me."  
Carol-"I wanted to rent a room."  
Sater-ALL-Right!!!  
Someone spurted out--"We'd probably be in Texas....  
-You should have heard us Cuss back there-

8:14-Scott's back. Here's what were going to do--Press on!!  
Check with police in Cambridge-they are to callin-Police will tell  
them to wait. We check in and press on--ice ahead.

Scott says, "Dillon, why don't you bring you neck up here so I  
can strangle it? I don't want to lose them again."  
Carol, "You can't lose something you've never had!"  
Scott, "If it's one thing I hate, it's a touchs from a chick."  
"Did I ever tell you I was a direct descendant from Lief Erickson?"  
Mike Fritz, "Did I ever tell you that I was a direct descendant  
from a disaster?"  
-So good to hear the nonsense chatter once again.....

8:26 Met a dump truck and became victims of a salt storm.  
Scott, "Just what my car needs" Guess what? Peeps triumphed-  
Can't find the calling card  
hey, things are looking up. There's a new song on the radio!!

8:45- Arrive at highway patrol station. Scott requests his jacket  
so as to cover up his buttons.  
We should all get out -run up a hill and roll down a hill.  
Scott's back.

We pass by a drive in where such cultural films were showing:

"Tales of Terror"

"Fearless Vampire"

"Return of the Ghouls"

triple feature

9:03 Pit Stop

Trips like this are so great like when...we all got together and excepted each other. We blow every station attendants mind when we come in.

"Put an extra 1/2 gallon in our tank--we run out first."

Looks are so deceiving--Like Sater--He look's like a little h.s boy--"He looks like a Junky!"

9:09 Scott's back , " Where the Hell are my keys ."

to Carol,"If you didn't have something to worry about you'd make up something."

Scott just roll down the window to yell "All Right" to red light Pathfinder nearly turned on 70 WEST

9:19 Rolling along. Scott thinks he lost his gloves again--lights on for search--There they are on floor under kCarol's feet.

9:55- first reports of trouble in Washington .

We're here at the station. WE SEE THEM!!!!

Take off right away--/ask you--what the hell's the wrong with us?-- we've lost them already!!

You know I'm beginning to think this little book is worthless--

There we were--worried to death (nearly) about them and they were sitting drinking beer!!

10:17- stop to see where we're headed. 1/2 dur group--Let's say all but Lehmbury want to get a few refreshments.

--IS IT ALL WORTH IT--

Now our group is taking out their anxieties with a snowball fight. Play on Children!!

Lehmburg compliments the girls in our caravan--Hell, think of all the babes that will be there!!!

Sater is hanging out of the car with tongue hanging out--there's a babe from Massachusetts--Hack, girls--we're not even there yet and they're horny and not for us either.!!!!)

10:31- Well, we're headed for the toll road--money--money--money--

Who cares? WE got lots--Say we've got to get back yet!!

about 200 miles left-- See this isn't such a long trip after all--

Lady at station wanted our lost members to have breath tests

Say by the way-- who lost whom???????

Sing it Dion-- "The Wanderer"

Sater: Do you know where we're gonna stay tonight?

Tom: We got to get ther first.

---Pause---

Tom: Say where are we going to stay tonight?

Sater: We'll worry bout that when we get there.

"We were trying to think of where we could meet you tomorrow if we missed you tonight."

the yellow room of the white house was suggested.

"Time is on our side"

Roads are quite bad--lots of drifting snow--if only we could eliminate the trucks and buses.

There is only one lane cleared on this highway and its right down the center. Now WE MUST Merge!!!

10:58- ~~APRIL~~ 12 61 million miles from earth--where are we?

11:09- met accident on highway

"Searchin" on the radio quite appropriate song

ther;s no such place--Where?...Washington.

Waw a relieving sign as we race madly to catch up to the others--  
"Speeders lose llicenses".....Fritz still thinks Roto is Scott  
Now he finally wakes up...he's lit his cigarette  
"It's a good thing my parents don't know about this--they'd

Have entered Arlington totally by mistake

Fan: You told me this would be an enlightening experience  
Tom: Yah, but I didn't know it would be this enlightening

This is a prime example of human disorganization

Roto's in the lead--Maybe he was the right one all the time  
Arlington is really beautiful. We saw the Wash. Monument. That was inspiring too. There's buildings all over!! Absolutely amazing. The east is really old!! Let's go to Zwachs for coffee and cookies

AFTERTHOUGHT

THAT PEOPLE HAVE A HARD TIME REALIZING HOW WIERD THEY ARE UNTIL THEY ARE FORCED TO LOOK AT ONE ANOTHER

but it's really hard to determine whether people find out that they're wierd or just find out that they're "normal". In actuality (essence, act, truth) it hardly matters- what nutters is that we know what kind of beautiful people we all are.

Thanks Sue for a wonderful trip! ((I think we better take this page out)).

Well, at first I thought we should ~~take~~ tear this page out-I mean I was touched (reesh-Like) and it could be embarrassing-but hell-the one thing that I constantly learn and relearn about, people is that they are "commonly receptive" (a difficult thing to explain since I ~~think~~ just invented it in my mind) ((but) I think it has something to do with:

" I know you, you know me, one thing I can  
tell you is you got to be free come together "  
And then I think maybe its good to have embarrasment  
occur when it invloves a ture insight into persons"
